Dear Mr Hall,

**ESSO PETROLEUM COMPANY Ltd. – PIPELINE SAFETY AND AWARENESS – LINEWALK
Green Lane**

We are writing to advise you that our client, Esso Petroleum Company Ltd, is proposing to inspect the entire route of its Fawley to Avonmouth pipeline in accordance with the terms contained within the Deeds of Grant. This will consist of a visual inspection by two persons on foot. Such inspections are undertaken to ensure that high standards of safety are maintained. Esso Petroleum Company Ltd representatives will begin walking the route **from** the week beginning 28 October 2019 onwards and will then, if necessary, carry out any minor remedial works such as replacing marker posts/aerial markers. Esso Petroleum Company Ltd. Identification will be displayed in vehicles and care will be taken to ensure that parking causes no obstruction. Where possible, our representatives will keep to the pipeline route with appropriate use of adjacent stiles and gales.

Whilst we cannot give you an exact date as to when they will cross your land, if you contact us we can phone you within a couple of days of when they expect to cross so we can coordinate an agreeable date if you have an event you don't want interrupted such as a shoot or if you have livestock/horses you need to move.

If any of the above details are incorrect, could you please let us know so that our records are kept up-to-date. If you are aware of any hazards on your land which may pose a significant risk to our personnel, could you please let us know as soon as possible either by post or by phone on 01488 662750 or freefone 0800 136812 (outside office hours). Please can you also advise any tenants or graziers that this Linewalk is taking place. If you have any queries, please contact us at the above address.

Yours sincerely,

Fisher German
